

ST ALBANS PARK

3  1  2 

We have some options here! Sited on some 789m² this three bedroom home has a character feel with bull nosed verandah and polished timber floors internally. Improvements have been made to the bathroom and the laminate kitchen is functional and open plan in style. A separate lounge with gas heater sits at the front of the property with its quiet court location a bonus. A separate garage is accessed from the 17.26m frontage suggesting a possible development site with potential for multi unit development subject to council approval. We ask first home buyers and developers to consider the full potential of this property.

Land Size : 789 sqm
